The 'Component Properties' panel on the right shows the 'Basic' tab with fields for 'Label', 'Required Field', 'Placeholder Text', 'Help Text', 'Accepted File Types', 'Max File Size (MB)', and 'Allow multiple files'. The 'Label' field is set to 'file 5'. The 'Required Field' checkbox is unchecked. The 'Placeholder Text' field is empty. The 'Help Text' field is empty. The 'Accepted File Types' dropdown is set to 'All Files'. The 'Max File Size (MB)' field is set to '10'. The 'Allow multiple files' checkbox is unchecked.

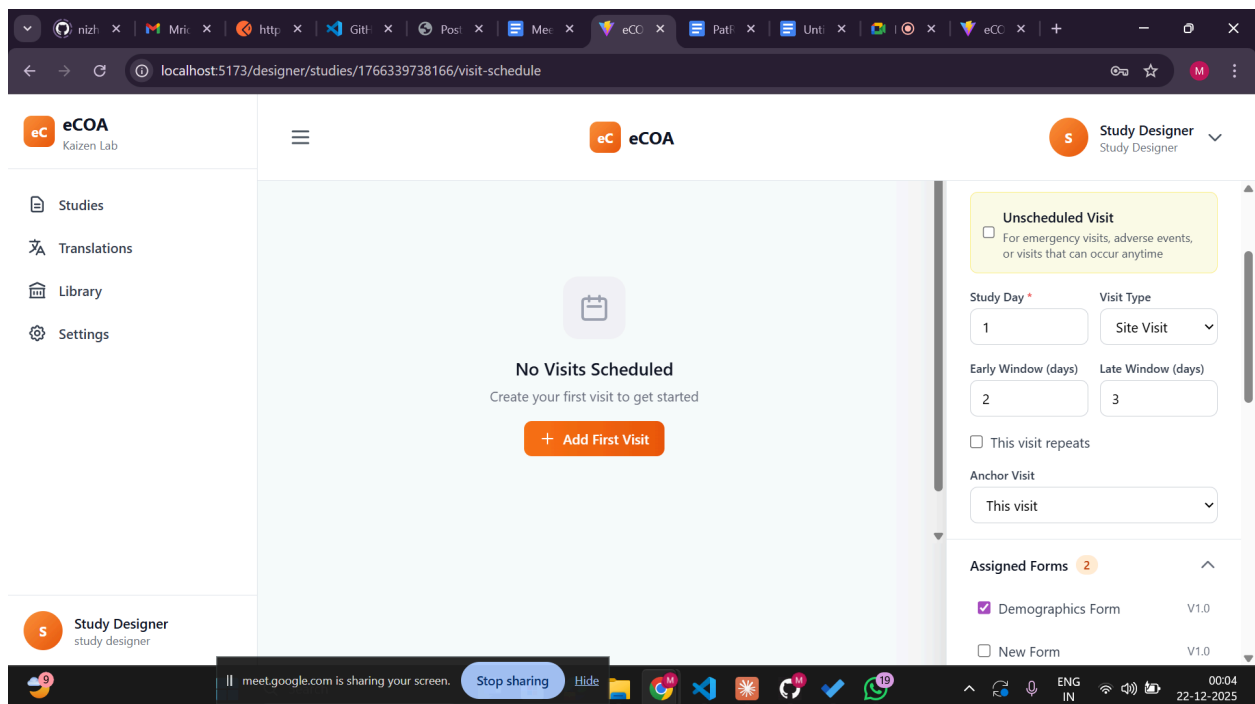

remove the file field.

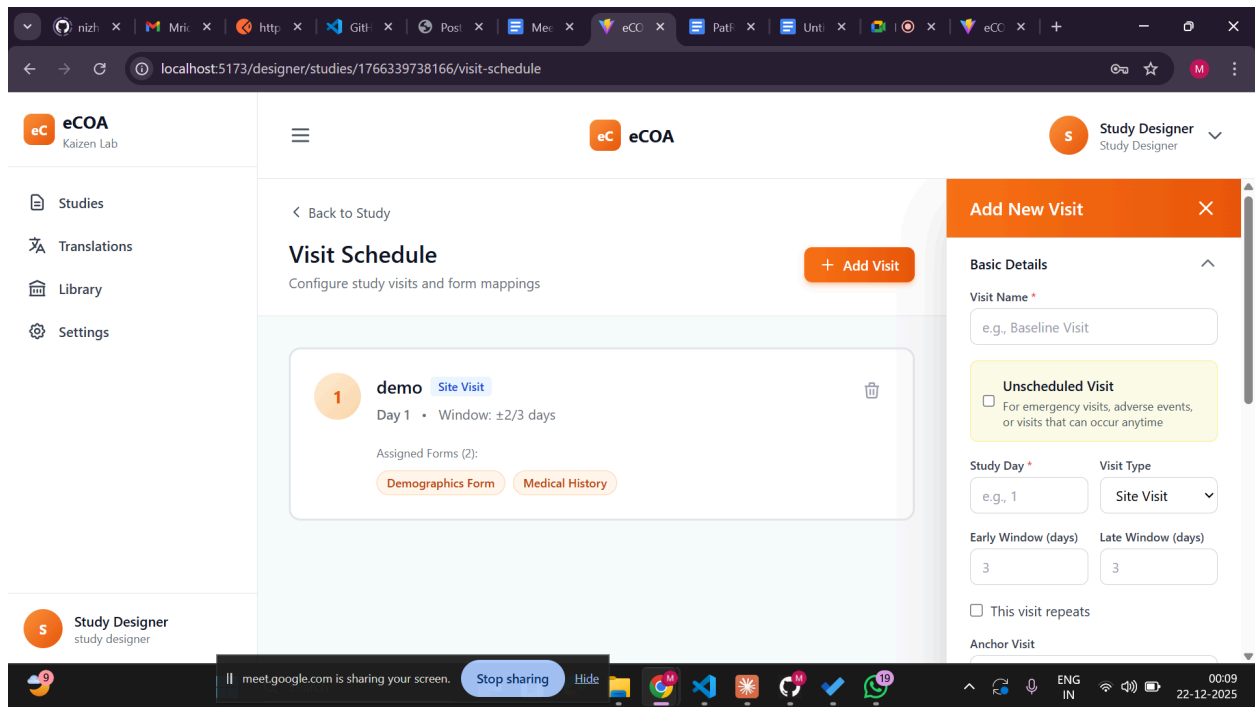

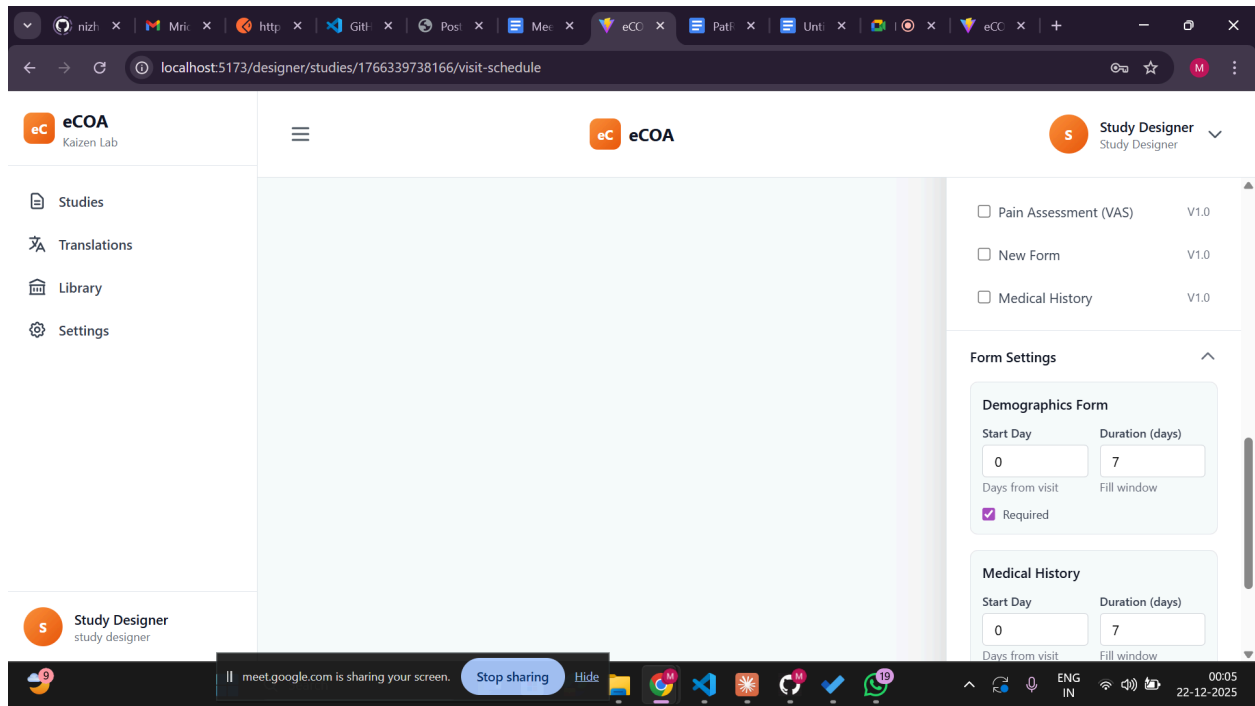

give warning (are u sure want to use SLT/MLT whenever configuring SLT/MLT as focus more on predefined scale criteria during defined schema.

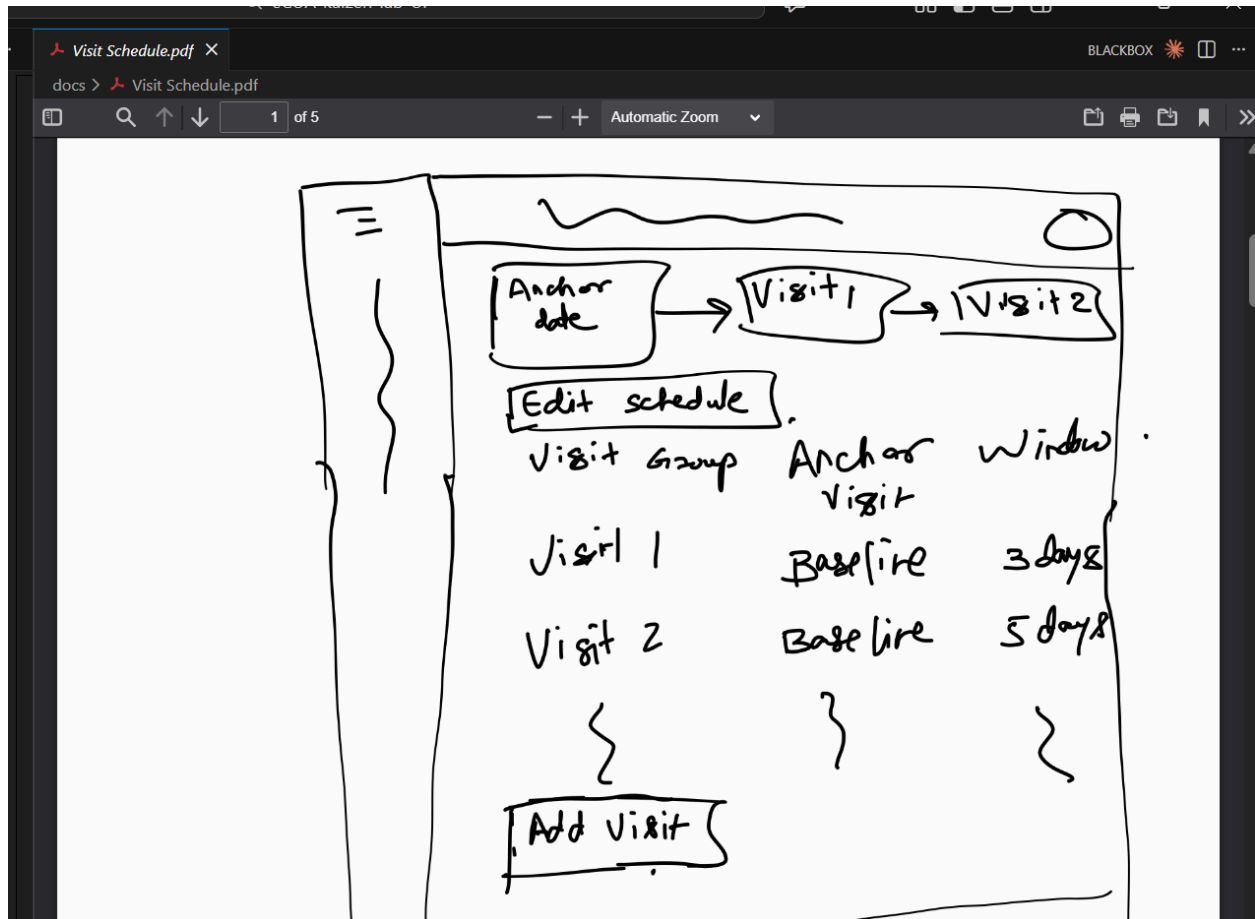

Give option to choose min and max value and keep the scale vertical(VAS)

can remove early window and late window option as in form below we are able to defined

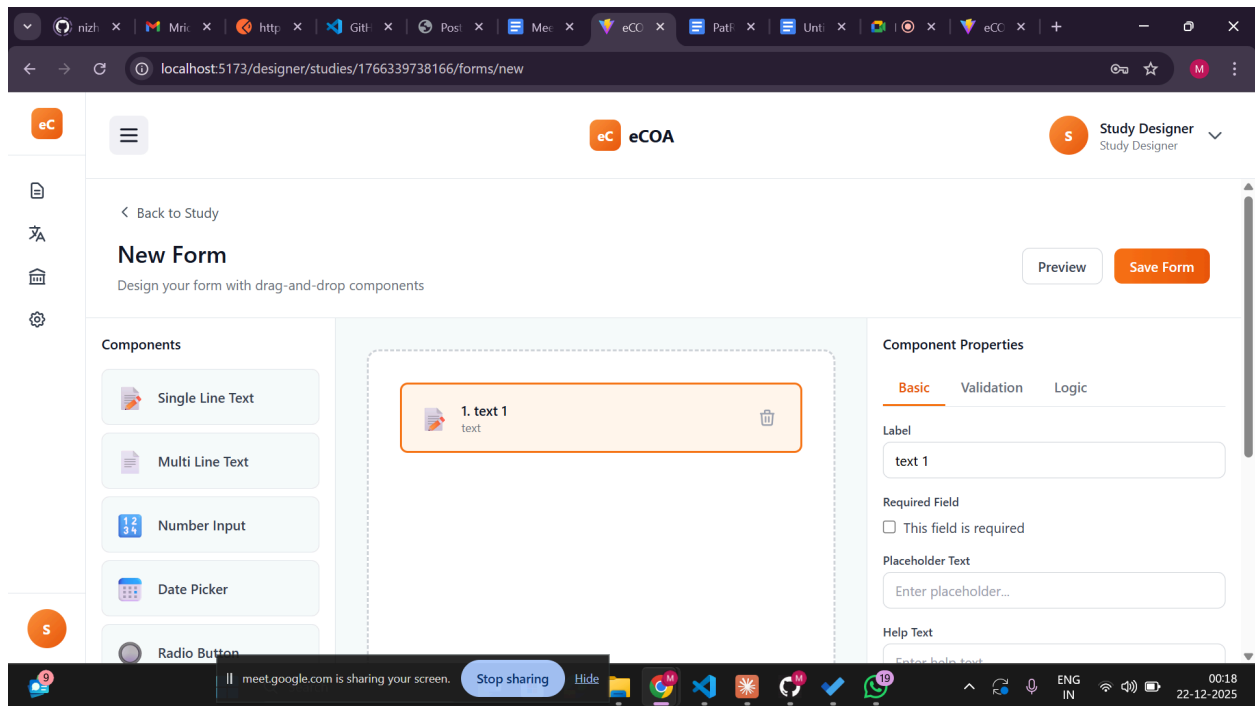

make each static/>>@falgun

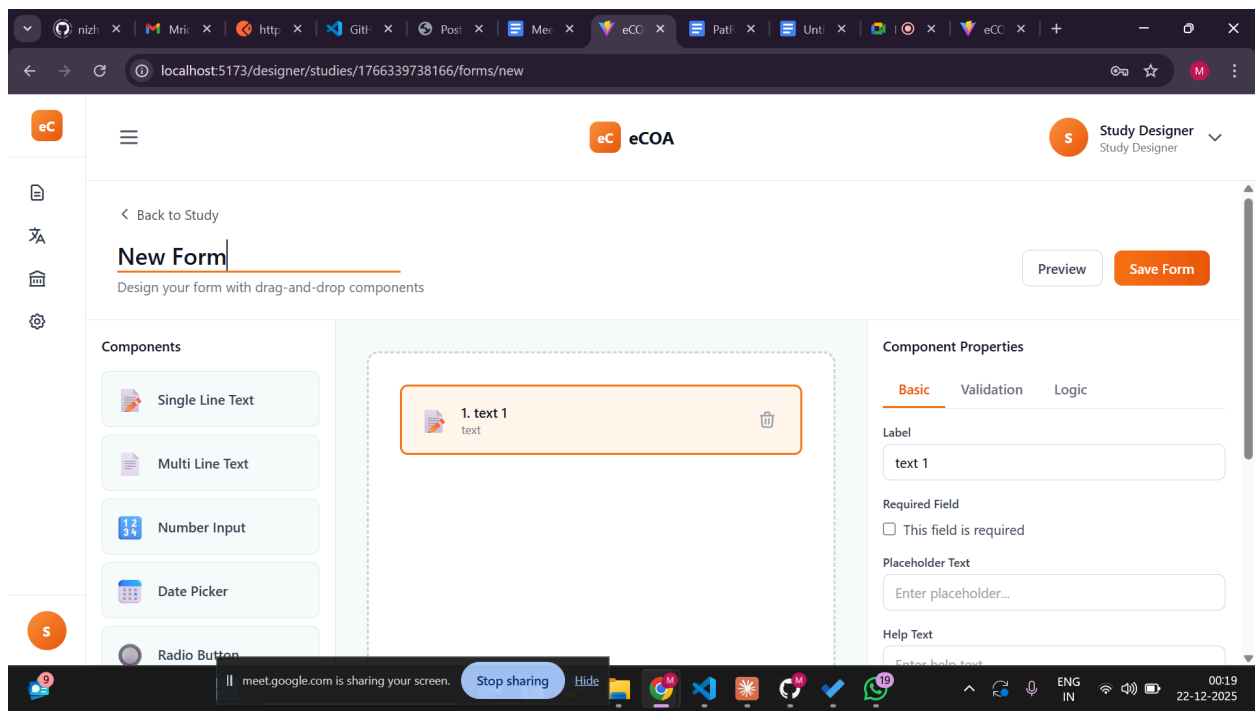

follow this flow diagram with arrow...

add reviewer/approval flow.

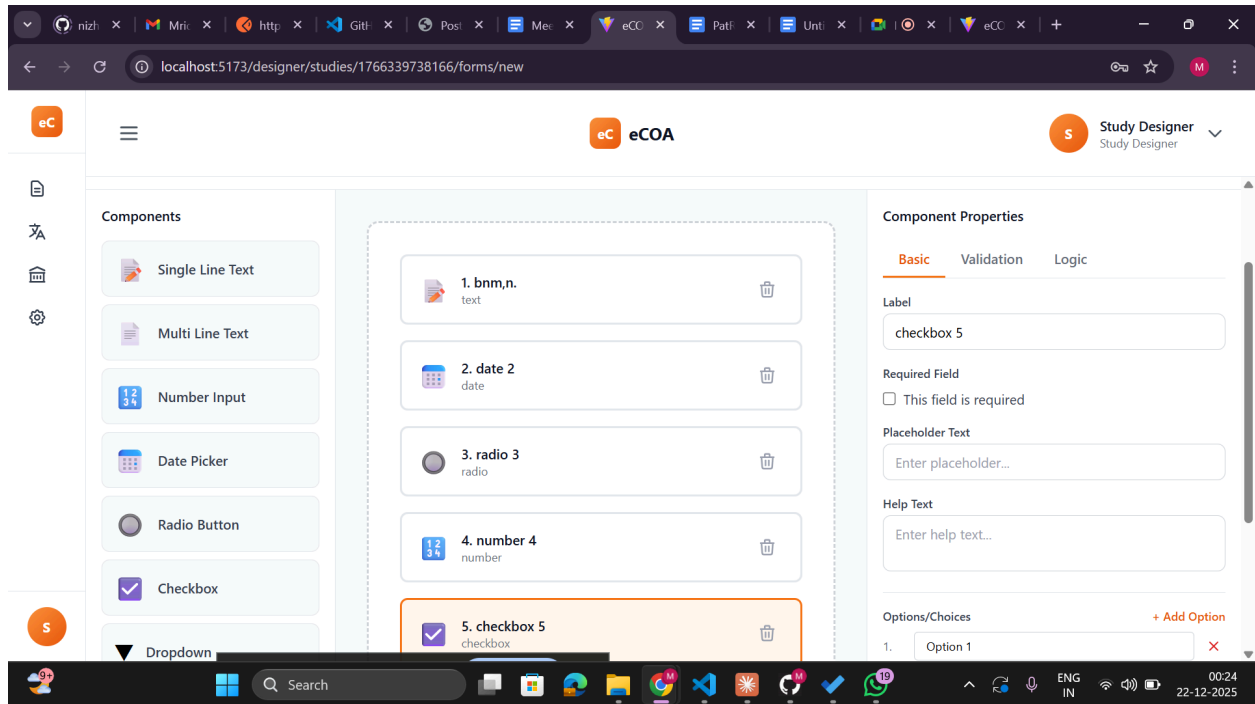

hamburger will be close

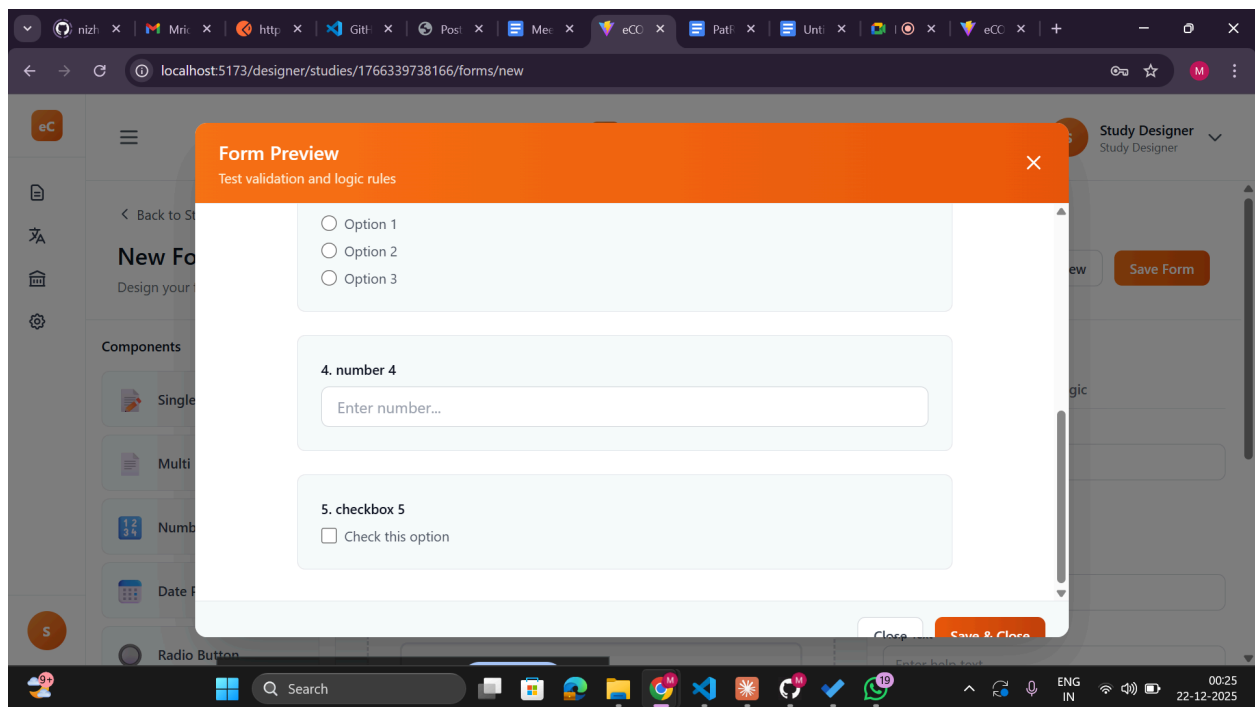

improve the spacing part inorder to make it more user easy to impact/freindly.

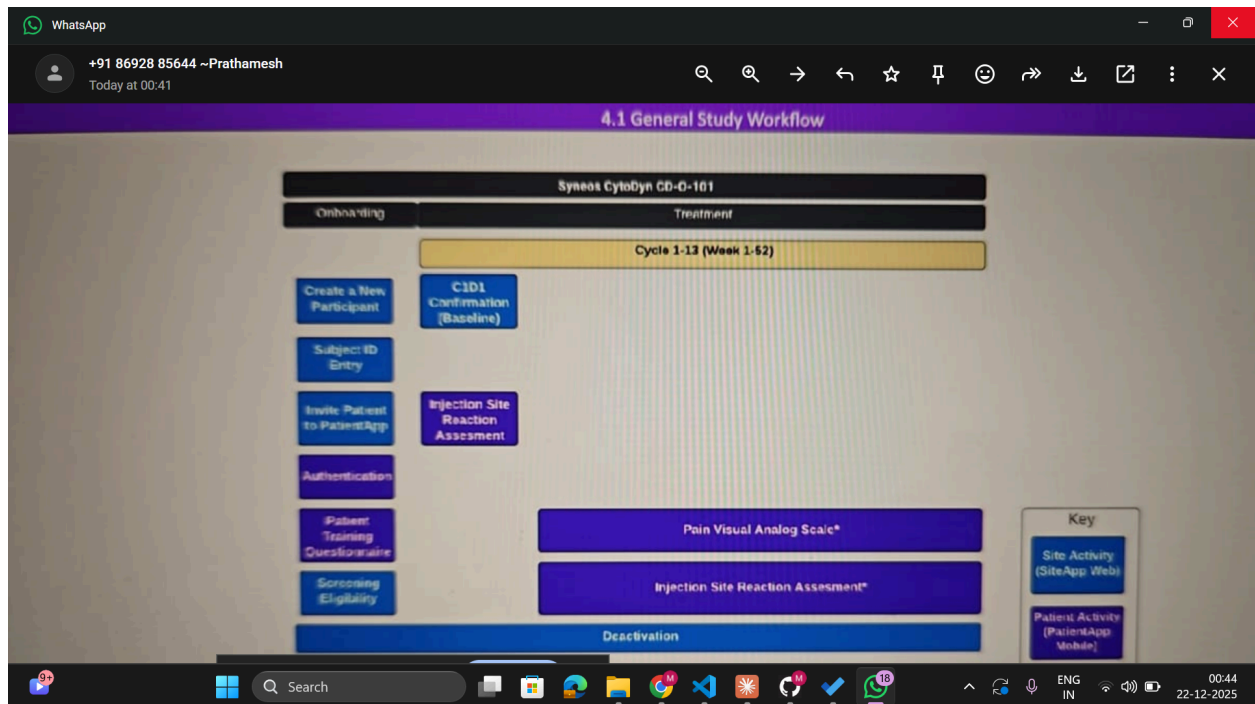

Keep the save and preview at below

add dragdropdwon

Remove the close/save and close, improve the header as well here.

once visit is configured user should get flow to understand the visit...

The screenshot displays a Google Meet session titled 'xda-okvu-dtu' at 1:53 AM. Aman Sharma is the presenter, showing a web application interface for 'eCDA'. The interface includes a 'Study Build' section with a list of forms and an 'Add New Form' dialog box. The dialog box contains the following text:

Form Name:
New forms will be created with 'Study' status and can be reviewed and edited later.

The meeting participants are visible in the bottom right corner: Prathamesh Parate, Aman Sharma, falgun bokde, and Mridul. The bottom of the image shows a Windows taskbar with various application icons and a system clock indicating 01:53 on 22-12-2025.

Remove add new form from admin

The screenshot shows a Google Meet window with the URL `meet.google.com/xd-a-okvu-dtu`. The presenter, Aman Sharma, is displaying a web application called eCOA. The application's 'Access Management' page is visible, featuring a sidebar with 'Home', 'Admin Edge', 'Reports', and 'Settings'. The main content area has tabs for 'Users' and 'Roles & Permissions'. A table lists users with columns for NAME, EMAIL, ROLE, STATUS, and LAST ACTIVE. The table contains two entries: Sarah Johnson and Karen Thompson. Below the table is a 'Permissions' section. A mobile phone screen is also shown, displaying a video call interface. On the right side of the Meet window, the 'People' panel shows 5 joined participants: Aman Sharma, Aman Sharma, falgun bokde, and two others. Below the 'People' panel, video thumbnails for falgun bokde, Prathamesh Parate, and Mridul are visible. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 01:55 on 22-12-2025.
